

Welcome to World Class Care

Experience Cleveland Clinic Canada's life-changing Executive Health Program.

Our **Executive Health Program** is a comprehensive medical and wellness assessment that will help you understand your health today and create an action plan for tomorrow.

**Understand the state of
your health today**

**Screen for disease and
identify risk factors**

**Evaluate and enhance
your lifestyle**

ON YOUR DAY OF CARE

**YOUR 6 HOUR HEAD-TO-TOE ASSESSMENT IS
CUSTOMIZED AND MAY INCLUDE:**

 History & Physical

 Visual Health

 Auditory Health

 Pulmonary Health

 Cardiac Health

 Cancer Screening

 Vaccinations

 Comprehensive
Laboratory Tests

 Diagnostic Imaging

 Wellness Consultations:
Psychological, Nutrition
& Exercise

SAME DAY RESULTS

Your clinical team will review your results with you. You will also have the option of sharing the results with your family physician.

COMPLEMENTARY CARE

The Executive Health Program does not replace your family physician, but will help inform and complement the ongoing care provided by them.

AFTER YOUR DAY OF CARE

PERSONALIZED ACTION PLAN

You will receive online access to your personalized health summary and an action plan within a week of your assessment.

ACCESS TO WORLD-CLASS SPECIALISTS

If you need a referral, we can connect you to our extensive network of specialists in Toronto and any of our physicians, surgeons and specialists in the Cleveland Clinic global network.

THROUGHOUT THE YEAR

VIRTUAL AND IN-PERSON APPOINTMENTS*

You can see our Nurse Practitioners online or in-person for minor health issues (e.g. sore throat, sinus infection), prescription requests, and referrals as required.

**Available 12 months following your appointment*

VIRTUAL CARE FOR YOUR FAMILY

Virtual care family plans are available for purchase so your loved ones can also benefit from Cleveland Clinic Canada care as long as they have internet access.

THE EXECUTIVE HEALTH PROGRAM IS ONLY THE BEGINNING

You and your family are invited to take advantage of the additional services provided by our team of world class experts.

LET US HELP IF YOU...

are injured or experience muscle or joint pain:

Sports Medicine & Rehabilitation Services

want additional support to improve your lifestyle:
