

YEAR-ROUND CARE

If you have a busy schedule and are seeking enhanced peace of mind, this membership is designed to conveniently address minor illnesses and injuries such as infections, earaches, coughs, rashes, cuts, and fevers. You can expect dependable access to a team of physicians and nurses, offering same-day or next-day in-person and virtual appointments.

Receive an exceptional level of care

Our focus is to deliver an exceptional level of care before, during, and after your appointment. As a Year-Round Care member, we provide you with after-hours medical advice from an on-call nurse consultant.

Convenient follow-up care

We have a network of select in-house specialists at our Toronto and Oakville locations – including dermatologists, sports medicine doctors, dietitians, physiotherapists, and chiropractors - for convenient follow up care to address your health needs, if necessary.

Virtual appointments for your convenience

You can also schedule your appointments when and where it is convenient for you with virtual availability.*

Experience heightened comfort

In advance of your Year-Round Care in-person appointment at one of our Medcan clinics, you will be waiting in a lounge designed to give you a comfortable and relaxed experience, with access to a complimentary snack bar and beverage station provided by Nourish – our in-house catering company.**

Around-the-clock global travel medical assistance

Your membership also offers around-the-clock global travel medical assistance that provides support for medical inquiries while travelling, connects you with a local doctor, and coordinates emergency evacuation if required.***

Enjoy a preferred rate on many wellness services

Medcan members enjoy a preferred rate on a suite of wellness services at Medcan clinics, including physiotherapy, cosmetic dermatology and medical aesthetic services, and skincare products.**

Easily navigate your health journey

Secure, always available online access to your medical records and test results via myMedcan.com. The platform is also carefully designed to house all important documents in a single location - whether that be records, invoices, or appointment information.*

Locations across Southern Ontario

We have locations throughout Toronto, Oakville, Collingwood, and seasonally in Muskoka, and we are expanding to more places soon – bringing you Year-Round Care in-person appointment availability and flexibility across Southern Ontario.

Get the care you need today.

To contact our Year-Round Care team, call **416-350-5995** or email yearroundcare@medcan.com.

* Online appointment booking is only available for clients located within Ontario. For clients who will be outside of Ontario at the time of their appointment, please call 416-350-5995 to schedule an appointment.

** Only available in person at Medcan clinic locations.

*** Global travel medical assistance is provided by a third party and does not include diagnosis and treatment from a Medcan physician. Additional third-party fees may be charged for consultation, treatment, and/or emergency medical evacuation provided by third party service providers when travelling outside of Ontario.
