

Your Health. Your Care. All in One Place.

ACCESS TRUSTED MEDICAL EXPERTISE,
VIRTUAL CARE, AND PERSONALIZED HEALTH
SUPPORT THROUGH TELADOC HEALTH CANADA.

Teladoc Health Canada provides convenient access to trusted healthcare services designed to help you make informed decisions and get the care you need. Through virtual care, expert medical guidance, and personalized programs, members can access support for everyday health concerns and more complex health needs, all from one place.

Convenient Virtual Care, Anytime Telemedicine

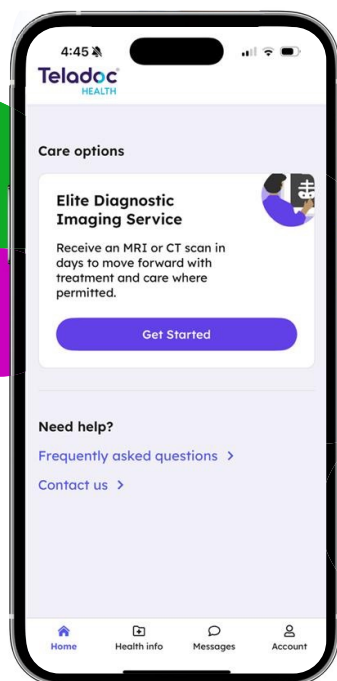

Connect with a healthcare provider anytime, anywhere through the Teladoc Health app, website, or by phone. Telemedicine offers convenient virtual consultations for non-emergency medical concerns, with options for on-demand or scheduled appointments and prescriptions sent to your pharmacy when appropriate. Members can access care across Canada and continue to connect with providers while travelling in the U.S.

Faster Access to Diagnostic Imaging

Elite Diagnostic Imaging Services

When you need an MRI or CT scan, Teladoc Health Canada's Elite Diagnostic Imaging Service helps coordinate timely access to imaging facilities, often within days rather than weeks or months. Our team collects your information and requisition, identifies nearby qualified clinics, schedules your appointment, and ensures results are sent directly to your healthcare provider.

Expert Guidance for Important Health Decisions

Teladoc Health Canada's Expert Medical Services help you make confident, informed health decisions by connecting you with internationally recognized medical experts spanning more than 450 specialties and subspecialties.

Expert Medical Opinion

Receive a comprehensive review of your diagnosis or treatment plan from leading medical specialists to help you better understand your options and make informed decisions about your care.

Care Finder

Locate leading specialists and medical resources outside of Canada when advanced care options may be needed, drawing from Teladoc Health Canada's global database of more than 50,000 expert physicians.

Find a Doctor

Work with a Teladoc Health Canada nurse to find general physicians, specialists, and healthcare facilities that meet your needs and are within your preferred travel distance. Using our database, they will provide options aligned with your geographic, demographic, or cultural preferences.

Health Navigator

Connect with resources tailored to your health needs and receive guidance to help you navigate the healthcare system and better understand your options.

Personalized Programs to Support Your Health Journey

Teladoc Health Canada offers specialized programs through the Expert Medical Opinion service that provide personalized guidance and ongoing support to help you manage specific health concerns and improve overall wellbeing.

Menopause Care

Connect with menopause specialists who review your medical history and symptoms to provide personalized recommendations and support. Members receive a tailored plan and guidance from a dedicated nurse to help manage symptoms and support overall wellbeing.

Weight Management

Access guidance and personalized support to help improve your health and wellbeing. Members receive a customized wellness plan developed by specialists and ongoing virtual coaching from a dedicated nurse to support sustainable lifestyle changes.
